Enccl: (1) Sketch of Buildings 510 and 510A

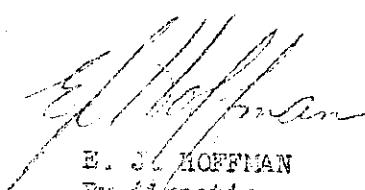

1. The Commander, San Francisco Group Pacific Reserve Fleet in reference (a) requested assignment of Building 510 for use as a training facility. By reference (b) agreement was reached as to the space to be assigned. The Commanding Officer, U.S. Naval Radiological Defense Laboratory, by reference (c) released the building with the exception of those rooms at the west end of the building required for use in conjunction with operations in Building 510A.

2. The Com SFGRuPacResFlt is assigned Building 510 less the space which remains assigned to the NRDL, as agreed to by reference (b) and shown on enclosure (1). Shipyard plans provide for conversion of Building 510 for use as a fleet training facility. It is desired that any use of and changes to the building be in accord with this ultimate utilization. Any work performed on the building by the user must be approved by the Shipyard prior to accomplishment.

3. The Shipyard will develop plans for the ultimate conversion of this building to a training facility. Within the availability of funds, limited repairs will be made to permit immediate use of the building for training purposes. Projects to complete the conversion will be developed and submitted to the Bureau of Ships under the appropriate programs for approval and funding.
