SUBJECT: Disposal of Radio Active Waste

TO: Commander  
Hunters Point Navy Yard  
United States Naval Radiological Defense Laboratory  
Code 3240  
San Francisco, California

It is requested a priority date be established, to receive for disposal at sea, approximately two hundred and fifty (250) drums of radio active waste. This office will deliver waste to Hunters Point Navy Yard three (3) days after notification.

FOR THE COMMANDER:

FRANK A. KULAS  
Lt. Colonel, USAF  
Chief, Installations Division

REQUEST FOR PERFORMANCE OF WORK  
NAV. S. AND A. FORM 140
