NEW PERSONNEL

ADMINISTRATIVE SERVICES DIVISION

Paulyne Jane Machus, a Statistical Clerk, came to the Laboratory from Travis Air Force Base. Miss Machus was born in Burbank, California. She graduated from Clovis Union High School in 1937 and attended Fresno Technical Junior College. Miss Machus lives at 3745 - 24th Street, San Francisco. Her interests lean toward sports, with bowling and skating in first place.

Dorothy Mae Summers, a Clerk-Steno, is a native of Silver City, Iowa. In 1950 she graduated from high school in Des Moines, and was later employed by Meredith Publishing Company there. Mrs. Summers and her husband, Stanley, who is in the Navy and stationed at SFNS, live at Hotel Barclay, San Francisco, phone GARfield 1-3655. Swimming, skating, tennis, and golf are her hobbies, but she also likes to sew.

ENGINEERING SERVICES DIVISION

Hugh S. Zimmerman, a Machinist, is a newcomer to the Shop Branch. He was born in Bisbee, Arizona, and attended high school in San Francisco. Mr. Zimmerman came to USNRDL from Enterprise Engine Company, San Francisco. He and his wife, Dorothy, and their children, Thomas, Mike, and Cecelia, live at 242 Chattanooga, San Francisco, phone VAlencia 4-8886. Bowling is Mr. Zimmerman's hobby.

STAFF ACTIVITIES

The following members of the Laboratory staff have gone to the U.S. Naval Civil Engineering Research and Evaluation Laboratory at Port Hueneme to conduct land reclamation tests:

Messrs. James D. Sartor, George L. Smith, James M. McCampbell, and John R. Earl.

Mr. Joseph C. Giles has also left for Port Hueneme for the purpose of transporting equipment to be used for conducting land reclamation tests by USNRDL personnel on temporary duty there.

Mr. Robert L. Stetson is paying a daily visit to Stanford University on matters pertaining to recruitment of personnel for the Laboratory.

Dr. Cecil Entenman, Dr. Ralph W. Brauer, and Mr. David C. Jones are at Oak Ridge National Laboratory attending a Biology Symposium.

Mr. Paul S. Flahive recently left for Los Angeles to visit the University of California and the University of Southern California in the interest of recruiting new personnel for the Laboratory, and to attend a meeting of the Pasadena Board of Civil Service Examiners.

Mr. Leland R. Bunney Jr. is in Cleveland, Ohio, to attend a meeting of the American Chemical Society. From there he will go to New York to visit Stevens Institute of Technology, Columbia University, Fordham University, Polytechnic Institute of Brooklyn, and New York University on matters regarding recruitment of new Laboratory personnel.
