REMARKS

BuSandA Manual para 26167 - 43a states:

a. Reporting. ... Boats and other service craft not listed in the Naval Vessel Register will be reported to the Bureau of Ships except for barges, floating drydocks, and floating construction equipment which will be reported to the Bureau of Yards and Docks"

Based on this authority, the letter requesting disposition instructions for the Decontamination Barge was submitted to BuDocks rather than BuShips.
