

***CAPTAIN MARKO MEDVED, P.E.***  
***Civil Engineer Corps, United States Navy***

***Officer in Charge of Construction***  
***Marine Corps Installations West***

Captain Marko Medved took command of OICC MCIWEST in AUG 2012. In his previous assignment as the Operations Officer for NAVFAC Southwest, he supported twenty SW installations.

CAPT Medved's first duty assignment was onboard USS LEFTWICH (DD 984), home ported in Pearl Harbor, Hawaii where he served as the Damage Control Officer, Missile Officer and Fire Control Officer. He deployed with LEFTWICH to serve in Desert Storm and Desert Shield in 1989-1990 and returned again to the Persian Gulf in 1992-1993.

CAPT Medved transferred to the Civil Engineer Corps (CEC) in the summer of 1993. He reported to his first CEC assignment at Resident Officer-in-Charge of Construction, Puerto Rico Area, in January 1994. Here he managed construction contracts in the U. S. Virgin Islands and at Naval Station Roosevelt Roads. CAPT Medved was then reassigned to the Public Works Department (PWD) where he directed the Technical Management Division, then Customer Service for the Base Operating Support Contract. In October of 1997, CAPT Medved joined the "Professionals" of Naval Mobile Construction Battalion FIVE, leading a Detachment for Training to assist in disaster recovery in Sao Miguel, Azores, Portugal. He later deployed to Okinawa as Charlie Company Commander and Air Detachment Commander. Upon completion of graduate school in August 2000, he reported to the Deputy Chief of Naval Operations (Fleet Readiness and Logistics) staff to serve as Action Officer for Range Planning and Base Realignment and Closure. During the 107<sup>th</sup> Congress, CAPT Medved served as a Legislative Fellow for Senator Thad Cochran of Mississippi, working on Defense Appropriations. He then served as the Public Works Officer at Naval District Washington, Indian Head, Maryland - the Center for Naval Energetics, until June 2005. Shifting coasts, CAPT Medved lead the Coastal Integrated Process Team at NAVFAC Southwest, supporting bases in San Diego, Ventura County and Monterey. In his next assignment as the Assistant Regional Engineer for Navy Region Southwest, he led the facilities programs for naval bases and reserve centers across six states. Deploying as an Individual Augment, he served as the Public Works Officer for Al Asad Air Base, Iraq, where he supported Marine and Army Division Commanders in Operation Iraqi Freedom.

CAPT Medved graduated with distinction from Annapolis with a Bachelor of Science degree in Ocean Engineering in May 1989. He later attended postgraduate school at the Massachusetts Institute of Technology, earning a Master of Science degree in Construction Engineering and Management in August 2000. In the summer of 2011, he completed the Advanced Management Program at the Duke Fuqua School of Business. He holds qualifications in Seabee Combat Warfare and Surface Warfare, is a member of the Acquisition Professional Community, and is a registered Professional Engineer in Virginia. CAPT Medved's awards include the Legion of Merit, Meritorious Service Medal (three awards), Navy Commendation Medal (three awards), Navy Achievement Medal (three awards), and the Combat Action Ribbon.

CAPT Medved was born and raised in St. Paul, Minnesota.
